Expanded Child Care (ECC)

Do you want to support families who:

- “Need care for a child that has a special need that requires a lower child-staff ratio”
- “Need care during UTA weekends”
- “Are on the waitlist for the CDC/SAC”
- “Need care during extended duty hours”
- “Need care 24/7 due to shift work”
- “Need care during a family member’s medical emergency”

...then we need YOU for ECC!

ECC includes the following programs:

Subsidy (SUB)-where families pay the FCC provider what they would pay at the CDC/SAC when they are on the waitlist for the CDC/SAC

Home Community Care (HCC)-provides child care for those members of the Guard and Reserves during their regularly scheduled, or properly re-scheduled, drill periods

Extended Duty Care (EDC)-assists families when weekly workloads, due to extended duty hours, exceed the normal operating hours of where they are already purchasing full-time care

Deployment/ Remote Assignment Care-16 hours of child care per child, pre-, during, and post-deployment

Emergency Medical Care (EMC)-assist families who experience a medical situation with an immediate family member

FCC Provider Orientation Child Care (FCC POCC)-supports FCC applicants as they participate in New Provider Orientation

Air Force Aid Society Child Care for PCS (AFAS PCS)-relieves the stress during a PCS move by providing 20 hours of child care per child at both the departing and inbound installation

For more information on becoming a FCC Provider and supporting our community through ECC, contact the FCC Office at 660-687-5590.

Recap Of Recent Events

Torch Club Youth worked really hard this year and completed over 12 service projects including Adopt A Highway.

Open Rec. Youth enjoyed an afternoon at the batting cages on base. Landry has a good batting stance and is ready to hit the ball.

The Oscar 1 tour was a blast and the kids had a great time.

Open Rec. Youth had a great time making fluffy slime during scene class. Porter, Henry, Jackson, and Liam could stretch their slime a long way!

Thalia painted a picture during Italy class. Thalia enjoyed getting to be creative and have fun during the painting class.

Recap Of Recent Events

Open Rec is having a fun adventurous day playing with light up lightsabers.

May employees of the month are Arianne Ngiraked and Margot Thomas. Ari is our lead in PT3 and is a great example for our new staff! She is one of our seasoned staff and we are so thankful she is still with us.

Margot is one of our cooks and is always in a fun & goofy mood. You can often see her walking the hall as spiderman, a blow up shark, and santa claus.

June Employees of the Month are Michelle McKinney & Anna Martin. Michelle is our lead in PS3 and is always doing something fun with her class. With some persuasion from Michelle, PS3 is now the loving owners of our two new friends Bacon and Brownie our guinea pigs.

Anna is our T3 opener and is always a smiling face in the morning. She is continuously staying late and helping out whenever needed.
