FSS SPOTLIGHT

Step right into the 509 FSS Resource Management Office, where we blend precision with proficiency in financial stewardship. Our main gig? Strategically managing both Non-Appropriated Funding and Appropriated Funding. From funding water slides for Outdoor Recreation to purchasing essential training supplies for our Readiness Squadron, we're all about procurement with a keen eye for detail. But it's not just about the purchases; we focus on financial compliance, making sure every dollar is accounted for with transparency and accountability. Think of us as the backbone of financial integrity, ensuring the smooth sailing of our unit's fiscal wellbeing. So kick back, relax, and let us handle the numbers while you focus on conquering your mission!

MEET THE FANTASTIC FINANCIAL SQUAD OF THE 509TH FORCE SUPPORT SQUADRON:

- ☀ Mrs. Marquise Thacker - Accounting Technician: As our Account-Tracking Dynamo, Marquise is the wizard behind the numbers, meticulously tracking income, expenses, and reconciling a whopping 70 financial accounts for FSS. But wait, there's more! She's also the maestro of managing the base's private organization program, keeping tabs on 45 official private orgs (and that's not even counting the unofficial ones!).
- ☀ Mrs. Monika Chacon - Accounting Technician: The Accuracy Ace Monika is our other brilliant Accounting Technician. She's the guardian of financial accuracy, evaluating the end-of-day financial paperwork for 12 NAF Activities with eagle eyes. Out-processing from Whiteman? Great! It's your chance to meet Monika as she handles all clearances for outstanding debts. But her talents don't stop there; she's also a pro at maintaining reports and supporting professional accounting endeavors, all while adhering to the highest accounting principles and policies.
- ☀ Erin McKernan - Purchasing Agent: Erin, our contract extraordinaire, is the fresh face with a knack for contracts. As a new warrant officer, she's on a mission to prepare a variety of simple contracts for FSS events like Independence Day and Air Shows, ensuring everything runs smoothly behind the scenes.
- ☀ Mrs. Chaynilette Soto Lugo- NAF Accounting Office Manager: Chaynilette reigns supreme as our NAF Accounting Manager, overseeing the daily operations with finesse. When it's time to close the books at the end of the month, she's the one making sure everything adds up perfectly. Plus, she's our P Card program manager, keeping our plastic in check. We are so sad to see her go this May but we are incredibly thankful for her time in our office.
- ☀ Mrs. Kellie Morgan - Budget Analyst: Kellie is the Go-To for all FSS budget questions, wielding her financial knowledge to manage Appropriated Funds for all FSS facilities. With her, fiscal compliance is king, ensuring every payment and purchase follows the rules. And let's not forget her oversight of the FSS GPC program, where she manages 24 cardholders across 15 accounts like a true pro. Kellie teams up with other Squadrons, Groups, and even other bases to ensure that team FSS is always up to date on all things money.
